

FHFA Maximum Base Conforming and High-Cost Area Loan Limit Updates

In response to FHFA's 2019 loan limit increases, Genworth is pleased to announce an alignment of our underwriting guidelines with these changes.

We are in process of updating our systems and will be aligned to FHFA's 2019 maximum base conforming and high-cost area loan limits by **December 10, 2018**. In the interim, when submitting loans with the new loan limits, please contact the ActionCenter® at 800 444.5664 for assistance in getting these loans processed through our system.

Genworth will incorporate these changes into our *Underwriting Guidelines* and other related collateral in the near future.

Please see the [FHFA Announcement](#) for additional information on the 2019 loan limits.

Contact your Genworth Sales Representative or the ActionCenter at 800 444.5664 with any questions.
