Manually Input Data Below if Using a Different Total Income to Determine Stable Monthly Income			NOTES
Total Income Used to Determine Stable Monthly Income <sup>1</sup>	\$		
Comments			
Divided by number of months <sup>1</sup>			
<b>Total Alternate Calculation<sup>2</sup></b>	\$		Click button to calculate result

<sup>1</sup>Manual input: The Seller must determine the appropriate amount of income to use based on the requirements and guidance for the analysis and treatment of income for self-employed Borrowers as described in Chapters 5304 and 5305

<sup>2</sup>The Seller must determine that the total stable monthly income meets the requirements and guidance for the determination of stable monthly income in Topic 5300. This includes, but is not limited to, business review and analysis requirements (Section 5304.1(d)) to support that the business has sufficient liquidity and is financially capable of producing stable monthly income for the borrower.
