

Genworth Mortgage Insurance Learning Series (GMILS)

Genworth’s mortgage insurance learning series (GMILS) for Credit Unions covers key subjects designed to help increase your efficiency and productivity while better serving your members. From underwriting and analyzing credit to appraisals and mortgage insurance, you’ll get a comprehensive introduction to the latest strategies and regulatory insights. All webinars are offered at no cost to you.

Meet MaryKay

MaryKay Scully, Director of Customer Education for Genworth Mortgage Insurance, leads the GMILS series. She delivers nationwide customer training programs, including collateral development. MaryKay is a graduate of the National School of Banking and earned her MBA/Management from Fairfield University in Fairfield, Connecticut.

Date & Time

Upcoming Webinars

Wednesday, July 24, 2019

2:00pm – 3:00pm Eastern

Shut the Door on Mortgage Fraud Part I: Scams, Schemes, and Documentation

Review – Identify common fraud trends and schemes, the red flags that alert you to potential fraud and the tools available to help you combat fraud.

Thursday, August 8, 2019

2:00pm – 3:00pm Eastern

Shut the Door on Mortgage Fraud Part II: Examining Documentation

– Hone your fraud detection skills and improve your proficiency at reviewing income, asset, property and other loan documentation for signs of potential fraud.

Tuesday, September 24, 2019

2:00pm – 3:00pm Eastern

Appraisal Underwriting - Focus on the Sales Comparison – Learn about current issues surrounding the sales comparison section of the Uniform Residential Appraisal Form.
