

The “Can-we-set-this-up-quick” question?

We’ve got a you-centric solution for that.

It’s easy to set up your Genworth account on
Optimal Blue’s BESTX™ MI tool.

Configuration Level: Global (Single Configuration)

You. That’s who inspires us to deliver solutions that help you get things done fast. We’ve got tips for setting up Genworth as your MI provider on Optimal Blue’s BESTX™ MI tool! See reverse for details.

Setting up your Genworth Account on Optimal Blue's BESTX™ MI

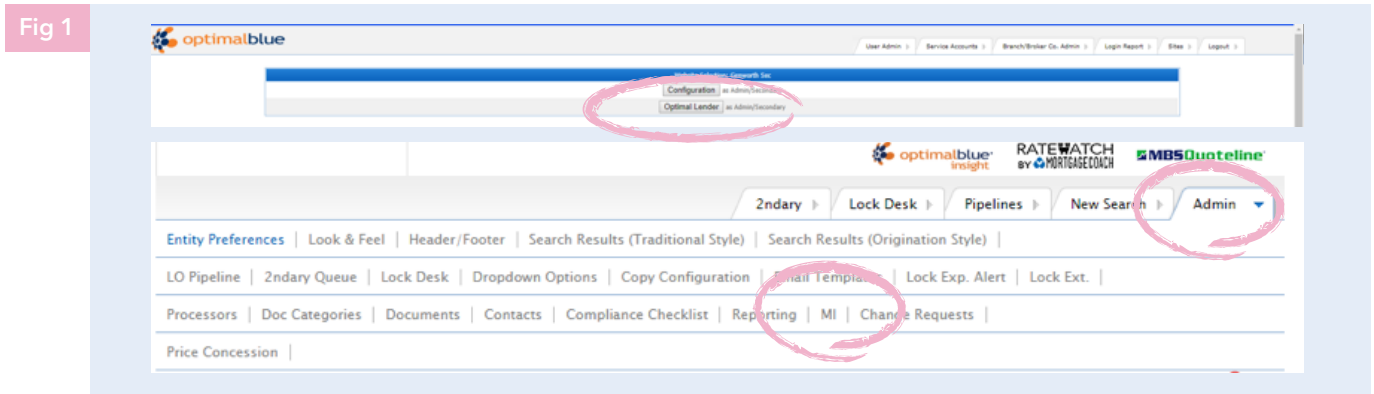

Our tips for you

From the MI Admin Interface (Fig. 1):

Select **Optimal Lender**

Click **Admin** tab

Choose **MI**

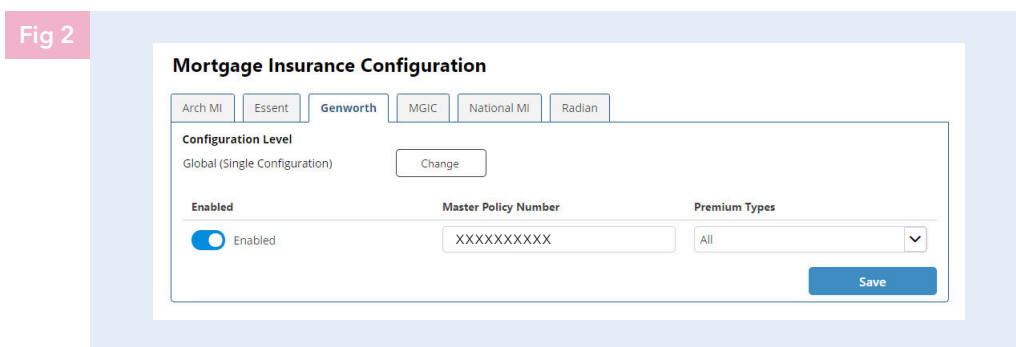

From the Mortgage Insurance Configuration Screen - Single Configuration (Fig. 2)

Choose **Genworth** tab

Select **Enabled** and enter your **Genworth Master Policy Number**

If needed, edit **Premium Types**, then **Save**

For multiple entities, use the **Change** button to change configuration level
